

Dear Friends,

Merry Christmas from the Kearls in Kentucky. 1957 finds us well and happy.

Our oldest, Edward, (10) is growing through cub scouts, trail builders, model airplanes, piano, oboe, and the fifth grade. He recently made it to Cloud No.9 when he was named all-star guard on the Little League Football Team.

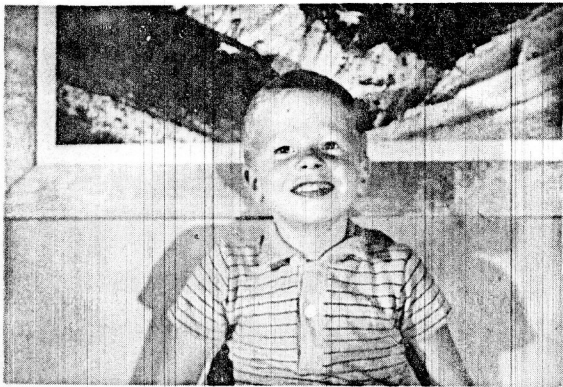

Gary (7), 2nd grade, almost a shadow, loved camp this summer. He's started piano and losing teeth.

Jamie (5), our doll has started kindergarten. She's very much a young lady wearing her leotard

o dancing.

Marty (6), wiggled into the 1st grade this fall. He was thrilled by the years during our vacation camping trip to the Smokies.

Cy has been busy building our screen porch and Hi-Fi equipment. Mary patiently waits for March.

We sincerely wish you a happy Holiday Season and a joyful New Year.
