

Seasons Greetings for 1964

Edward is 17 and a senior in high school. With any luck he'll graduate this year. He wants to go to Cornell, Michigan, or Wisconsin if any of them will have him. He's been working as a fry cook at a local hamburger drive-in. Starting at the bottom and staying there.

Gary is now 14. He was in the scout service troop at the World's Fair this summer. He's busy with model airplanes and trains. Sails an 8' pram on the Ohio River in the summers and currently is leader of a family project to restore a Model A Ford. Ed, Marty, Jamie, Cy, and Alan are merely helpers.

Martin went to the Scout Jamboree at Valley Forge this summer. Jamie spent a month in Salt Lake City with her Grandmother. Jamie and Marty are in the 7th and 8th grade in the evening session of our crowded high school. They leave at noon and get home at 8:30 at night. Mary runs a 16 hour Cafeteria for us Kearls.

Alan nursed a severe leg burn all summer. He was a mighty lucky little boy. He started in the first grade this year. It's sad to have your last little one leave for school. An arm injury and teeth repairs made Cy aware that he was getting older this year.

We spent our vacation camping in the Smokies. Mary's mother was with us. She's a good camper and a real sport. However, she and Mary stayed at nights in a nearby motel. COWARDS! Christmas reminds us to be thankful for our many good friends and for our rich, full, and interesting life.

*Our very best wishes to
each for the coming year.
The Kearls*
