

Dear Mary and Family

Its difficult to say or to write my feeling. but I do want you all to know of the Love and appreciation I have for Cy. He was a great brother, we were in most regards twins, he took me everywhere with him, Mom referred to me as his shadow. At an early age I was a little bigger than Cy and he smarter than me, we made a great team both getting in and out of trouble together.

We raised and showed Cattle together at County and State Fair, took violin lessons together, each contracted and bought new bicycles so we could deliver our paper routes. It was our job to milk our family cow each night, I would hold the flashlight while Cy did the milking. We even shared our Christmas

presents, the first Christmas I really remember we received a little wood up train together.

I loved Football so you will understand my pride when he was selected as Utah State Football equipment manager and was able to associate and travel with the team. His graduation from The University of Michigan with an engineering degree was also a most exciting accomplishment for both he and your Mom. ^(May F. Walker Keard)

He was, as I have said, a wonderful brother but his most important accomplishment was his family. His pride with each of you and your individual accomplishments showed in his actions and in his face as he would tell of your activities.

His testimony of the Gospel was not just in words but was shown by his and your Mother's sincere love and help.

fulness to so many people all across
the country and how they have endeared
themselves to the people of Bear Lake espec-
ially. They have truly emulated the Ancestors
in service to their fellowmen.

I have so many fine memories of
being your Dads "twin" and so much pride
in his accomplishments. He was really a
great brother!!

Sincerely with Love
Kevin

P.S.

Take time to stop and smell the
flowers along the way, I neglected
some and I regret it.
